Short story cycle Wikipedia

December 8th, 2018 - A short story cycle sometimes referred to as a story sequence or composite novel is a collection of short stories in which the narratives are specifically composed and arranged with the goal of creating an enhanced or different experience when reading the group as a whole as opposed to its individual parts Short story cycles are different from novels because the parts that would make up the

Short story Wikipedia

December 7th, 2018 - A short story is a piece of prose fiction that typically can be read in one sitting and focuses on a self contained incident or series of linked incidents with the intent of evoking a single effect or mood however there are many exceptions to this A dictionary definition is an invented prose narrative shorter than a novel usually dealing with a few characters and aiming at unity of
